

CLARKSON FAIRFIELDS SOUTH RATEPAYERS' ASSOCIATION (CFSRA)

HALLOWEEN TREATS

This is a note for the parents. This year your local ratepayers association is doing socially distanced 'reverse trick or treating'. With Covid-19, many kids won't be doing their normal trick or treating. For families that signed up at our website (<https://cfsra.ca/treats>) or were signed up by their friends, we have some treats in this bag for you. We also have some other activities at our website, including a self-guided scavenger hunt, a pumpkin photo contest, and a costume contest.

If you would like more information about your local ratepayers association (Clarkson Fairfields South Ratepayers Association), visit us at cfsra.ca. It's easy to join the association at our website, if you are interested. Happy Halloween from the CFSRA.

And, a reminder that our next Compass Food Drive will be Sunday morning, Nov. 1st. If you want to participate, all you have to do is put the food outside your door by **9am Sunday** with a label saying it is for the Compass Food Bank. We will pick it up and deliver it with zero contact. **EASY! Most needed items** include cereal, tuna, salmon, Kraft dinner, baked beans, oatmeal packages, and toilet paper.
